

One Hope Canada Purpose

We present the Gospel, particularly to those having the least opportunity to hear of Christ and especially to children and youth, and we disciple believers for living and serving through His Church.

We present the Gospel to those having the least opportunity...

786 campers from this summer do **not** hear about Jesus outside of camp.

The 2024/2025 budget ran a 2.3% deficit, with food costs, GiantNess, and unexpected building maintenance costs. The budget has been balanced with investment income and reserves. The hope for the 2025/2026 budget is increase income to have a 3% surplus that can build reserves to address maintenance and program needs.
